

# Where Will YOU Be on December 21st, 2012?

**Come With Me to Peru For a 26,000 Year Anniversary  
Gathering Of Souls!**

I couldn't imagine a better or more powerful place to be during the planetary alignment in 2012 than in Peru, where the natives greet us with a simple "Welcome Home". While standing in the parking lot at the Cusco Airport recently, it came to me that in 2012 I was to bring as many people as possible to stand atop Machu Picchu where a massive convergence of

ley lines occurs! As we gather there and together, send out a positive message to mankind and beyond, the energy and the intentions of our message will ride the ley lines all across the Earth.

I have arranged a spectacular two-part trip to assist you in experiencing the best that Peru has to offer as well as visiting the amazing sites of Tiahuanaca and Puma Puka in Bolivia. You may have seen these places on the History Channel with my good friend and spiritual brother, Jorge Luis Delgado, who will be our guide for part of our journey. Jorge will be bringing other groups to meet us at Machu Picchu on the day of the alignment and we as a mass of souls will ring in our future with great love and ceremony! Don't miss this once in 26,000 year event! Come to one part of the journey or all of it! I will be waiting for you there!
