is screenwriter who is currently creating a science fiction thriller to be set in the ancient city of Teotihuacan at its peak in 750 AD. She has spent a number of years studying the layout of Teotihuacan and its significance as a Cosmic University that contains the wisdom of the Ancients. Patricia will share how the city of Teotihuacan was built by master builders to serve a special purpose similar to other temples of antiquity such as Stonehenge, and that Teotihuacan serves as geodetic and astronomical marker to locate the human in space and time within the cosmos. Embedded in the cosmic structures of Teo is a sacred geometry which contains the harmonic mathematical relationships of the cosmos. Learn how the various structures within the city serve as celestial clocks, calendars, and scale models of our solar system. Patricia is an accomplished painter and sculptor as well as a professor of Film Theory. She lives and works in Hollywood as a screenwriter and script consultant.

is the author of "Conversations with the Children of Now", "The Children of Now", "Pyramids of Light, Awakening to Multi-Dimensional Realities" and the Online Messages. Dr. Meg is the hostess of The Dr. Meg Show, Conscious Talk for Greater Reality on the World Puja Network. Guided by a loving group consciousness she lovingly calls "The Masters, Dr. Meg Teaches from the heart of creation. Dr. Meg says that everyone can reach their highest consciousness, their highest potential once they embrace their perfection they will find their true power. Dr. Meg loves teaching how!
