Sacred Grid of Lights One lucky person who buys Meg's book on September 1, 2010 will receive a copy of Master Teacher Starr Fuentes book *Sacred Grids of Light: Keys to Energies of Planet Earth*. This spiritual textbook valued at \$110.

Website: <http://www.starrfuentes.com>

Description: Starr Fuentes deeply enjoys Dr Meg's information about sacred geometry and the energies of earth and other dimensions in *The Secret History of the Universe*.

Many years ago Starr brought the teachings of Light Language, a hidden teaching from the curanderas in Mexico, to the United States and through teachers to the world. Light Language speaks the energetic language of creation through the colors and shapes of sacred geometry. You can tap into 16 global templates for healing major issues in your own life and in the life of planet earth in Starr's book *Sacred Grids of Light: Keys to Energies of Planet Earth*. One lucky person who buys Meg's book on September 1, 2010 will receive a copy of this spiritual textbook valued at \$110.

Light Language speaks the energetic language of creation through the colors and shapes of sacred geometry. Light Language grids are made of light and color shaped from the building blocks of the universe. Like an electrical energy grid, a Light Language grid reaches out to many, supporting, causing, refining, and enhancing energies. By interacting with these grids and experiencing the structured sequences of colored shapes, you are tapping into a global template for healing major issues in your own life and in the life of planet earth.

Light Language grids are extremely powerful templates for change. Once anchored into your consciousness, these sequences of colored shapes are emanated as magnetizing, electrifying wordless prayers formed from the building blocks of the universe.

These sacred grids include:

* CASH * CLEAR COMMUNICATIONS * COMMON SENSE * COMMON UNITY * COMPASSIONATE POLITICS * EARTH IS OUR TEMPLE * EMPOWERED RELATIONSHIPS * FAITH IN EACH OTHER * GENEROUS ECONOMY * HEALING AS ASKED FOR * INNER PEACE * KINDNESS IS ABUNDANT * LOVE WINS * RELAX * SUSTAINABLE ENERGY * THE HUNGRY EAT

The text that accompanies the grids explains these aspects of sacred geometry and more:

- * The definition of a grid and how to use one.
- * How the shapes and colors blend to accomplish specific multifaceted results in harmony with the highest and greatest good for all.
- * How light and energy can be harnessed for more clear communication delivered at light speed.
- * How grids interact with DNA.
- * How your participation with these grids provides a great service to humanity.

Sacred Grids of Light is perfect for those curious about sacred geometry as well as the ardent student of Light Language and is a treasured addition to the GatherInsight.com Illuminated Series.

HO'OPONOPONO HEALING MEDITATION KIT

Ho'oponopono is a Hawaiian word meaning "to make right". In using the Ho'oponopono process, we make things right within ourselves, with our ancestors, and with other people. This embodies "generational healing." The Hawaiian word *pono* translates to "goodness" and simply put, healing occurs when we make things right with goodness in our heart.

Ho'oponopono is about effecting change. However; in order to effect change, that change must first take place within oneself. We are co-creators of our reality. Our energetic blueprint influences everything. The basic concept behind Ho'oponopono is the immutable fact that our entire existence comes from within, not from outside of oneself yet change from within will affect everyone and everything around us.

The **Ho'oponopono Healing Meditation Kit** is a powerful combination of Visual, Auditory and Kinesthetic attunement methods to powerfully harmonize your consciousness to receive the vibration frequencies of Forgiveness, Love, Healing and Gratitude.

The **Ho'oponopono Healing Meditation Kit** brings together the best of proven Ho'oponopono techniques practiced worldwide which are currently used by respected doctors and experts such as Dr. Ihaleakala Hew Len, Joe Vitale, and Mabel Katz. Featured in books such as *The Law of Attraction*, *The Easiest Way* and *Zero Limits*, the beauty of Ho'oponopono is in its simplicity.

This is a time of great awakening for humanity as we begin the ascension process into the 5th dimension. Awakening to Your Creation is a message of truth, understanding, and optimism for all of humanity and serves as a guidebook for expanding our consciousness to the grandeur of who we truly are.

Excerpt from the book:

"It was unbelievable how perfect it all seemed, how every rhythm and harmony flowed perfectly into each other to create a marvelous orchestration. I saw for perhaps the first time how incredibly complex yet how simple all things are. It was a moment beyond any moment and stunning in its clarity. I believe I was seeing reality for the first time without my foggy goggles on. I loved it."
