

Join us! NOVEMBER 8-13, 2010
CONFERENCE IN MOUNT SHASTA
Dr. Meg and Indigenous Elders from N & S America

Today, nothing is the same in our beloved planet. We have the great opportunity to be part of the process of ascension of the Mother Earth and the beloved Father Sun. What is happening now has never happened before. It is a challenge. We have a responsibility to jump right in and to continue integrating our bodies towards this new higher vibratory frequencies and being ONE with the Divinity.

Each of us is experiencing an awakening and an expansion of conscious together with the big expansion brought on by our Cosmic Mother and Cosmic Father. We are ready to assume our parts as the Sun's rays in this new dawn in the Earth. We are the bridge towards the entire manifestation of the Divide Benevolence in all its cells, atoms, bodies and

beings in all kingdoms.

We have been waiting for the right moment, and it has come. We have the opportunity of being together joining our prayers, ceremonies and rites, as Beings of Light who joyfully feel the call to be in Mount Shasta in November.

After the success event of the Mother in the Sacred Lake Titicaca, now in Mount Shasta we will confirm the Activation of our own essence.

In this wonderful experience we do not want to be only watchers, but instigators of a huge effort to release the past, mainly to release the energies which not come from love and then, being part of the great conscious of Love to open, step by step, our never ending fountain of Love becoming shiners of love in our Earth.

It is not question to explain scientifically how it is, but all the circumstances of life are opportunities for expanding love and knowing our own nature. Then, when we recognize our families of Souls, we are connected every time more and more.

During this meeting, Andean Elders of the lake Titicaca area, Q'ero Elders and Ayahuasquero Elders of the Amazon will take part of this event and will share with us their knowledge for this New Times.

Thus, we have invited Teachers from North America then, we will let you know who will share with us, also. Obviously, we have to remember all the time that we are mainly talking about every open Heart: OURS.

We will have ceremonies of the Fire, Water, Earth and Wind. Such as Angelic ceremonies of Conscious of Light.

Also, we will have private sessions available with the Elders for cleansing ceremonies, Flowering ceremonies, Coca readings and Initiations.

All ceremonies will be made by elders from the North and the South with the active participation of everyone who comes.
