

The Secret History of Consciousness Journey

March 19 – 31, 2011

With

Meg Blackburn Losey, Ph.D.

Come with me to the ancient lands of Peru for 13 days and 12 nights where we will be welcomed as if we have truly arrived home! I will be joined by Jorge Luis Delgado, my good friend who has trained for a lifetime as a Shaman of the Incan people. We will also meet the Q'ero's, the local Shamans and perhaps even an Amazon Jungle Shaman too...

We will journey to Cusco, where we will experience the most powerful of sacred sites and ceremonies and then on to the Sacred Urabamba Valley where we will experience our hearts, our perfection and our most ancient senses of being and go to the Písaq Market. From there, we will go to Machu Picchu to spend time in the city of the clouds, rest a while at the hot springs at Agua Caliente and then on to Lake Titicaca to experience the legendary and powerful lake as well as ceremony, powerful portals and the floating island people.
